“ Although I've only known Tojuana, Ollie, Javon and Miss Arnetta for a short time, I am so grateful that God put us in each others paths. Through all of Tojuana's struggles she would pick up her phone to check on me and see how I was doing. God bless her soul and her beautiful family. Please don't hesitate to keep in touch, I know Tojuana would want it this way. Your friend/family, Terree (202-577-4647).
