“ *Many hearts are broken from this tragic loss. You didnt deserve this death sentence by your so called friend. You were good to him and then he turned on you. We will see that justice is served for you my love. Life will never be the same without you T.Y. Your bright smile and kind heart will always be remembered. We love you and miss you dearly! Wishing it was a bad dream...GONE TOO SOON!*

I searched and searched but in my heart I knew you were gone. Forever my bestfriend forever apart of my heart. I am just glad I was blessed enough to find you one more time before your untimely demise. We talked, made promises, but something told me that last day we talked while you were in that halfway house, would be our last time. You used to say I was your princess, I know you'd be proud of me now. I LOVE YOU TJ!!!
