“ Hey Pop.  
*I miss you more than ever these days. Your peacefulness and warm heart is sorely missed by so many of your family and friends. It's hard to really grapple with the fact that you're really gone. So many years we lost...but I am thankful for the time we shared. You were my best friend. I will always love you dearly.*  
*Your grandkids are getting so big now. My wife and I are expecting our fourth now. I wish so much that they got the chance to meet you and hug you. Nevertheless, I will see you again one day, just to sit and share a smile with you.*  
*Love you Pop.*
