“ Sometimes death comes without warning, and sometimes we're given suttle hints. Nevertheless, we can never prepare for it. We want and want our love ones to live forever, especially MOM!. The she looks at you, the way she holds you, the way she talks to you, that's something that can never be replaced but, Thank GOD! for memories. Our end is Earth, our beginning is with JESUS CHRIST!. I rejoyce in the fact that Ms. Hall has gone home for her beginning. To the family: GOD is always with you. He's ALL! the comfort and healing you'll need. Believe me He knows what your going through. You will see one another again!. Hold on, help is on the way!! MAY THE GRACE OF GOD BLESS AND KEEP YOU.
