“ Wayne was a true believer in God and welcomed the day he would be called home. At the time of Wayne's passing I was still going through chemotherapy. Wayne would call me everyday whether I answered or not. Wayne knew I was having a hard time. Wayne prayed with and for me. I couldn't remember one day to the next. I do remember going home in June of 2023. I couldn't remember when I spoke to Wayne last it seemed as though a few days had passed. I called his number and found it was disconnected so, I started searching and I was devastated to learn of his passing. Wayne loved his family and always spoke of his beautiful mother. I've never known anyone with his spirit and kindness. I think of you often my friend and I miss you dearly. I miss our conversations and your positivity. I regret I never got to taste your crab salad. I know you're with the lord you loved and served.

“ I am so sorry to hear of Wayne's passing. I knew him when he was very young. He was a kind, mannerable and gentle soul. Rest in the peace of God Wayne.
