“ I remember there were a few times in the past, I would ride with Angie over to his apt. in N.W., and he was always hospitable, and gracious, no matter how he was feeling. I recall once asking him, did he remember me. And he gave me a look to say, "what do you think I'm senile, of course!" lol Being "Angie's dad", I will hold those fond memories of him:-) May the Lord continue to comfort and keep the family during this time. Blessings!

“ Grandpa Willie had a courageous spirit. I use the past tense lightly because I truly believe in my heart and soul that he is still here with us. The joyous news that he has been freed of the pain-stricken body that once held him is comforting to me. I am overwhelmed with happiness when I think back upon the many years that he beared through the sickness that afflicted him and poured out endless love and compassion towards all of his children, grandchildren, and great-grandchildren. While I am saddened by the fact that I will no longer be able to witness the familiar face, hear the excitement of his voice, or breathe in the homegrown scents of every bit and piece of his character there in that welcoming and familiar apartment in the heart of D.C., I am convinced and uplifted by the simple fact that he will once again be waiting to have and hold us when we all meet again. Grandpa Willie was a righteous, spirit-filled, and loving cornerstone of the Carmon heritage. He never hesitated to share his time and energy with those he loved, and gave of himself without hesitation to all who surrounded him. For these things, I am truly thankful...and for the time I was privileged to share with my Grandfather, I cannot be more grateful to our Heavenly Father.

“ Losing someone that was truly loved is difficult. The Bible comforts us at Ecclesiastes 3:11. “Everything he has made pretty in its time. Even to time indefinite he has put in their hearts.”
