“ I just learned of Yvonne's passing. We worked together for many years on EPA's pivotal biotechnology regulations, and remained friends long thereafter. It was always a pleasure to run into her in the hallways, and to listen to her stories about the office and her own life and family, which were always told with sly humor. I will really miss her. Goodbye, Yvonne, and God bless.

“ Y'vonne was co-worker of mine for over 20 years. I will miss the conversations we had when we happened to be on the same subway train going home. The one constant topic of our conversation was always about the love and pride we had for our sons as they went from child hood to adults. I will miss her.

“ My heartaches for the family and friends on the loss of your dear love one Y'vonne. Know that God will give you the support and strength you need to endure in your time of bereavement Psalm 46:1. May the peace that comes from the memories you all shared bring you much comfort in the days ahead.

“ Just so you know...She is and forever will be my loving "Big Sis" who continues to this day to "Inspire" perseverance, integrity and above all things "Hope". Thank you for always supporting me and Cameron and Tabitha, and for holding my hand physically and virtually through the good times and the bad. You'll be missed by Anne, Cameron and Tabitha, but not ever forgotten. Cheers to Safe Passage, Peace and Grace. Love your 'lil' sis Anne.

“ *The seemingly infinite sands of time are peppered with fond memories of our loved ones. Our souls are soaked with tears, but still we celebrate as tradition the fond thoughts which persist onward. May peace be upon her soul whilst solace drapes the family's hearts.*
